

VERSE 2

Bm **D**
 I know you're great, I know you're good
A **Bm** ___ | **D** ___ | **A** ___ | ___
 Amidst my trials your mercy never ends
Bm **D**
 Yet even still, I feel alone
A **Bm** ___ | **D** ___ | **A** ___ | ___
 The force of hell weighs down upon my head
Bm **D**
 As I lie down, face to ground
A
 I ask you, Spirit, breathe afresh
Bm **D**
 The only thing to get me through
A **Bm** ___ | ___ **A** _
 Is less of me and all you instead

To CHORUS

G ___ | ___ **A** _ | **Bm** ___ | **A** ___ (2x)

BRIDGE

G **A** **Bm** **A**
 I'll keep trusting, even when I cannot feel you

 I'll still press in, even with no sign of breakthrough

 I'll keep hoping, 'cause even darkness bows before you
G **A** **Bm** **A**
 I'll stay waiting, 'cause even still your word will come through
