## **CHORUS**

I could never be enough, Lord  
Still I'm surrounded by your love  
I could never be enough, Lord  
Still I'm surrounded by your love

## **VERSE 1**

You will never leave my side  
Even in my broken mind  
Even when I have no hope  
You will always hold me close  
You will never leave my side  
Even in my broken mind  
Even when I have no hope  
You will always hold me close

## **VERSE 2**

Your grace in me is great  
Even when I'm losing faith  
Even still I trust your word  
For you have overcome the world  
Your grace in me is great  
Even when I'm losing faith  
Even still I trust your word  
For you have overcome the world  
For you have overcome the world

## **BRIDGE 1+2**

I don't have to be enough, Lord  
'Cause you are enough for me  
And I'm surrounded by your love, Lord  
And you're never gonna leave
