VERSE 1

You say, "Come
You aren't forgotten
You are not broken
Or swept aside"
You say, "Come
You are forgiven
You are my chosen
You are mine"

CHORUS

So I empty myself
'Til there's nothing left
Then you'll fill me up
All my life is yours
Jesus I'm all yours
So I empty myself
'Til there's nothing left
Then you'll fill me up
All my life is yours
Jesus I'm all yours

VERSE 2

And so I'll come
And cease my striving
My self-protection
This discontent
Yeah I'll come
Give up all I have
Release my burdens
And unclench my hands

BRIDGE

The joy I sought and thought was lost
Discovered at the empty cross
You spent your life there for my sake
Now here's my life for you to take
It's when I quit with nothing left
You fill me with your very breath
Want less of me and more of you
God make me holy through and through

TAG

All my life is yours
Jesus I'm all yours
