VERSE 1

Where do I go to find you?
What do I have to give?
Why do I need to need you?
What life am I to live?

CHORUS 1

You say you're in our midst
Your plans will be complete
You say I am your child
Your will I want to seek

VERSE 2

Where do I find my purpose?
What direction do I take?
Why do I feel this struggle?
What choice is for your sake?

CHORUS 2+3

You say you're in our midst
Your plans will be complete
You say I am your child
Your will I want to seek
I need to hear your voice
Make clear your word to me
I want to feel you near
Perfect your power in me

BRIDGE 1

So move me to trust you
To walk by your side
Move me to surrender
To leave all doubts behind
Move me to stillness
To listen and believe
Move me to your will
To where I want to be

BRIDGE 2

Will you move me?
Spirit, move me!
Can you move me?
Spirit, move me!
