CHORUS 1

When it's easy or when it's hard
I'll sing your praise, proclaim who you are
My faithful God
When I fall down and when I stand
I lift my voice and raise up my hands
It's all you God

CHORUS 2

When it's easy or when it's hard
I'll sing your praise, proclaim who you are

It's all you God, it's all you God
It's all you God, it's all you God
It's all you God, it's all you God
It's all you God, it's all you God
