## **VERSE 1**

Awaken my soul  
To your love  
I first knew

For my heart's gone astray  
No, I haven't lived  
For you

## **VERSE 2**

Spirit, stir me up  
To make Jesus  
All I want

For my heart's gone astray  
Let your mercy  
Come like the dawn

## **CHORUS**

Father God  
Draw me close  
To your side

Where joy is real  
And deadened hearts  
Be made alive

Would you show  
Just a glimpse  
Of your face?

Your glory, Lord  
Is what I want  
To see and taste

## **VERSE 3**

Now pierce this rebel's heart  
And all doubt  
That clings remaining

For my heart's gone astray  
But now you're all  
I'm entertaining

## **BRIDGE**

Your love  
Your cause is  
All that really matters now

You're love  
You're God  
And I'll come running  
When you call my name

Your love  
Your cause is  
All that really matters now

You're love  
You're God  
And I'll come running  
When you call my name

When you call my name
