VERSE 1

The sickness that affects our children
Isn't from the source above
The devil tries to break our spirits
And tries to keep us from His endless love

VERSE 2

The sickness that invades our bodies
Has no hold on our God above
All the lies and all deception fall flat
When we declare the Spirit's pow'r in us
For the devil has no pow'r over us

CHORUS 1

All sickness must leave in the name of Jesus
In Your beautiful, glorious name
All demons must leave in the name of Jesus
In Your wonderful, marvelous name
I am alive and I won't abide
In this stronghold no more
All evil must leave in the name of Jesus
In Your powerful, victorious name

VERSE 3

All anxiety and all depression
Lost their power by the empty cross
All the traps we keep on falling into
We declare they have no hold on us
For the devil has no hold on us

BRIDGE 1

Sickness, disease, depression must leave
In the name of Jesus, go
The schemer, destroyer—the devil must flee
In the name of Jesus, go
You have no place here; this isn't your home
In the name of Jesus, go
Our Father, our Spirit, our Jesus—our God
In His name to hell you shall go
In His name to hell you shall go

CHORUS 2

All sickness must leave in the name of Jesus
In Your beautiful, glorious name
All demons must leave in the name of Jesus
In Your wonderful, marvelous name
I am alive and I won't abide
In this stronghold no more
All evil must leave in the name of Jesus

TAG

In Your powerful, victorious name
In Your name to hell he shall go
In Your powerful, victorious name
In Your name to hell he shall go

CHORUS 3

All sickness must leave in the name of Jesus
All demons must leave in the name of Jesus
All evil must leave in the name of Jesus
Ohh-oh, ohh-oh-oh

BRIDGE 2

Oh death, now where is your sting?
Oh hell, now where is your victory?
Oh death, now where is your sting?
Our Jesus is Conqueror for eternity
Oh death, now where is your sting?
Oh hell, now where is your victory?
Oh death, now where is your sting?
Our Jesus is Conqueror for eternity
Oh death, now where is your sting?
Oh hell, now where is your victory?
Oh death, now where is your sting?
Our Jesus is Conqueror for eternity
Oh death, now where is your sting?
Oh hell, now where is your victory?
Oh death, now where is your sting?
Our Jesus is Conqueror for eternity
