VERSE 1

How ravishing your love is
Yet how so quickly we forget
Your promises unfailing
Yet our hearts so quickly fret

CHORUS 1

You remain faithful when we are faithless
You remain faithful when we are faithless

VERSE 2

What perfect hope you offer
Yet we're driven to despair
What endless peace indwells us
Yet we still grip tight to fear

CHORUS 2

You remain faithful when we are faithless
You remain faithful when we are faithless
Jesus, your love is greater than our failures
Because you remain faithful when we are faithless

BRIDGE

Oh God, forgive us when we stray
Oh Jesus, we believe, but help our unbelief
You are the object of our praise
The glory in our gaze, direct us in your way

TAG

Jesus, your love is greater than our failures
Because you remain faithful when we are faithless
